To Whom it May Concern,

My name is Scott Tremonti, owner of The Urban Oven, a restaurant located at The Bloc. I am writing this in support of Phillip Dane and his application for continuing to have the food trucks in front of The Bloc.

The belief that food trucks hurt the brick and mortar restaurants is not accurate. In fact, the days when the food trucks are not here we see a drastic decrease in traffic. The food trucks benefit us and The Bloc in general as it brings in the customers.

I am strongly requesting that you grant Phillip Dane his request for the Food Truck Permit.

Sincerely,

Scott Tremonti
